3. HRMD has provided the Position Management and Compensation Division/OP with a list of positions having deferred allocations. 4. A list of overseas positions was forwarded to PMCD/OP for inclusion in the PMCD survey to be conducted during the October 1983 to January 1984 period. In addition, a list of domestic positions is currently being compiled for use in the survey.

5. The following recruiting efforts were conducted during June:

a. The ITT Technical Institute in Indianapolis, Indiana, and the American Radio Relay League (ARRL) Ham-Com '83 Convention in Dallas, Texas, resulted in 26 ET and 15 TCS candidates being given application packages.

b. During 1-3 June 1983, HRMD representatives accompanied OP/WARO recruiters to Norfolk, Va. PHS packages were given to 64 TCS and 13 ET candidates who successfully completed interviews and testing.
